shower water filter

The Deluxe Showerwise Filtration System (\$89) reduces inhalation of vapors and absorption of chemicals by removing chlorine and reducing such contaminants as iron, lead, arsenic, mercury,

and hydrogen sulfide. Showerwise has an adjustable, massage showerhead designed for strong flow without sacrificing pressure.

"The Showerwise filter was very easy to install and has made a big difference in the softness and manageability of my hair."
—Leah Oblak, Dayton, OH

"I can now enjoy a long shower without chlorine odor."

—Roberta Singer, Monroe, NY

"Wow. At long last I've found the secret to silky, shiny, manageable hair and it's not even a hair product! Who knew filtering shower water could make such a difference? My eyes and skin were not as dry as usual. It's fabulous! Anyone who tries this would notice such a difference."

—Dana Begley, Pittsburgh, PA

"Now with Showerwise I don't have that chemical smell in the bathroom. I am a cancer survivor and aware of all the toxins & pollutants around us. I feel safer using this product."

—Carol Earle, San Bruno, CA

"I tested the Showerwise filter system for six weeks and noticed my skin isn't so dry and itchy."

—Marie Hella, Allouez, MI

"I highly recommend this product. More and more is being written about chemical contamination through the skin, mouth & nose. My husband is 'hard to please' and he is 'thumbs up' with Showerwise."

—Judith Nessia, Alpharetta, GA

"Even though I have a water softener the lather was better with the Showerwise filter."

—Arlene Rath, Buffalo, MN

"Showerwise filtered out the chlorine and other chemicals so well that my skin felt clean and did not dry out."

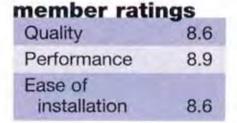

—Sherry Reid, Foresthill, CA

"We have a lot of iron in our H_2O —this filter worked first time in reducing 'iron' smell and increased softness."

—June Ward, Bellefontaine, OH

"With the Showerwise filter system I felt like I was taking a shower in the soft rain."

-Marilyn Worrell, Harrison, MI

Showerwise®

The Deluxe Shower-wise Filtration
System (\$89) effectively removes chlorine and other harmful contaminants such as lead, bacteria and algae from shower water.
Installation is easy; simply remove your existing showerhead and replace it with the filtration system.

TEST SCORES

Ratings are based on a scale of 1 to 10, with 10 being the highest.

"We noticed an improvement to our shower water.

Performance and water quality was excellent. Best Feature:

Ease of installation."

John Beuerlein, Edina MN

"I was surprised to find the difference in softness of my hair and smoothness of my skin. The compact size is a definite plus. Excellent performance and water quality."

Curtis Bundy, Eden Prairie MN

"I recommend this Showerwise filtration system because there is a great difference after using it. My hair is softer and shinier and my scalp feels invigorated. My skin doesn't itch." Bryant Canonge, Los Angeles CA

"I have very dry skin and the removal of chlorine from the water really has helped keep my skin healthier. Excellent overall rating—performance and water quality."

Chris Durand, Los Angeles CA

"After using the Showerwise the rash on my back was gone. I strongly recommend."

Zakaria Elnatour, Milwaukee WI

"The filter does a good job of cleaning the water. Soap lathers up nicer and my skin feels cleaner. The massage head is a must have. You can tell the water is much better with the lack of water spots."

Brad Ferstan, Minneapolis MN

"I used the system at our cabin up North and it was great. The water pressure at the cabin is much less than that of our home in the city and the showerhead made up for the difference. The soap lathered much better with the Showerwise filter. Excellent overall—performance, design and water quality."

Jack Feyo, Coon Rapids MN

"Showerwise was simple to install and the adjustable showerhead is a great add on. We liked the fact the odor of shower water seemed fresher—less chlorinated."

Randy Gilbert, Long Lake MN

"My skin doesn't seem to be as dry as usual. I get more lather with less soap. Super easy to install and water quality was excellent."

Robert Hagen, Minneapolis MN

"There was a noticeable difference in softness of my hair.

No itching after washing soap off my body while showering.

Water seemed to be softer without odor of chlorine."

Albert Haskell. Milwaukee WI

"Easy to install and use. Did good job of removing chlorine from my water. I think replacement filters are an excellent value and will last up to 18 months."

Lee Johnson, Ham Lake MN

"It's easy to install and has good massage power. I don't feel my skin drying from the chlorine. My wife loves it. Quality of water is much clearer."

Jose Maldonado, New York NY

"This Showerwise is great. I would buy it for how it made the water feel and smell. Excellent performance...got hair and body cleaner."

Shaun Nickelson, Crystal MN

"Good durability, quality, design, size, and ease of use."

Robert Pfaffl, Milwaukee WI

"I recommend others try it. Never thought how good filtered water is for bathing. Definitely noticed a difference in quality of water."

Jose Segura, Chicago IL
